

North Olympic Wildlife Area

Lower Dungeness Unit River's End Site HUNTING RULES and CONDITIONS

The following rules and conditions apply to waterfowl hunting at this site:

- Hunting is restricted to the *5 designated points* (see map).
- The use of hunt points is available as *first come, first served*.
- Occupancy of a hunt point is limited to a *maximum of 4 persons*.
- Temporary blinds are permitted *within 25' of numbered markers* and shall be constructed only from natural materials (driftwood, grass, etc.). The use of non-biodegradable materials (zip ties, plastic netting, metal posts, etc.) or treated lumber is prohibited.
- Hunting is restricted to Wednesday, Saturday, Sunday, and state and federal holidays.
- A *15 shotgun shell restriction* is in effect (WAC 232-16-770).
- Each hunt point has two assigned, numbered parking spaces.
- Vehicle parking is prohibited between 10:00 pm and 4:00 am.
- The first-come, first-served right to use a hunt point is determined by the *occupation* a point, which supersedes the status of parking spaces or any other factor.
- Shooting orientation/direction shall be conducted in a manner consistent with posted requirements.
- Hunt points 1-4 are located on *private property* that is managed by WDFW. Misuse of the property may result in the loss of public access.
- All other posted site rules and conditions are in effect.
- Additional regulations apply per Title 232 WAC.
